The preceding pages give a concession and lot number for each settler. Land registry records can be a great source of information for your family history project. I specialize in land records research. Also see the 1869 Clarke township settler index at [www.ontariogenealogy.com/ontariolandregistryrecordsresearch.html](http://www.ontariogenealogy.com/ontariolandregistryrecordsresearch.html) and then order your ancestors land records. For the earliest land records and settler locations also consider a search of the Township Papers and/or the Ontario Archives Land Records index. Email me at [landregistryrecords@ontariogenealogy.com](mailto:landregistryrecords@ontariogenealogy.com) for further information.
