The preceding pages give a concession and lot number for each settler. Land registry records can be a great source of information for your family history project. I specialize in land records research. Also see the 1888 Bagot township settler index at www.ontariogenealogy.com/ontariolandregistryrecordsresearch.html and then order your ancestors land records. For the earliest land records and settler locations also consider a search of the Township Papers and/or the Ontario Archives Land Records index. Email me at landregistryrecords@ontariogenealogy.com for further information.
